Dear Neighbor,

As a long-valued supporter of Chore Service, we wanted you to be among the first to know some exciting news.

Chore Service and Litchfield Hills Chore Service are consolidating operations under Chore Service. Both organizations share the same vision, mission, and services - keeping the elderly and people with disabilities safely and independently at home, regardless of their ability to pay for needed services.

The consolidation was primarily driven by a desire to maximize our resources to provide better services for the people of our community. Working together, we will be able to ensure support for the most vulnerable in our community, as both organizations have done for over 20 years.

With this partnership, residents in 13 towns in Litchfield County can rely on the familiarity and consistency they value and expect.

The consolidation is scheduled to close on February 1st, 2024, pending board approval on January 29th, 2024 and regulatory agency approval forthcoming.

For more information on the consolidation, please refer to the attached press release and FAQs.

Please do not hesitate to call the office at (860) 435-9177 or email for further information.

Sincerely,

Jane MacLaren
